

Homai School Cybersafety Student Agreement Form

These rules will help us to stay safe when using ICT at Homai School

Homai School will support the student with being cybersafe by explaining the rules and implementing cybersafe education programmes regularly. The school uses filtering and/or monitoring software/programmes to restrict access to certain sites and data, including email. This cybersafety agreement form is aligned to the Homai School Policy

Homai School Cybersafety Student Agreement Form

12. I understand that if I break these rules the school may need to inform my parent/s or caregiver. Privileges may be taken away from me for the week. I will then need to earn trust to be able to use ICT equipment again.

I will support Homai School’s cybersafety programme by encouraging my child to follow the cybersafety rules, and to always ask the teacher if they are unsure about any use of ICT. I understand I can contact the Principal, Associate/Deputy Principal or our School IT Leader to discuss any questions I might have about cybersafety and/or this student agreement and I am welcome to do this at any time.

We have a school photographer who takes photos around the school. These photos may be used in our school newsletters, school website and/or classroom blogs. Please tick one of the following;
